4.1 Payment by individuals

- You can pay when you register for a course. The first course: you are allowed to pay the course after the first class, but within 14 days after the first class has started. You transfer the money yourself or you can choose to receive a 'betaalverzoek' and the invoice through Whatsapp.

If you agree on continuing the course after 8 lessons, (you agree on buying another 8 lessons) you will receive again a 'betaalverzoek' (request to pay) and the invoice through Whatsapp/ e-mail. You have to pay within 14 days.

4.2 Payment by employer

- You can register for a course via the website by stating that your employer will pay for you. However, even when your employer has agreed to pay for you, the payment obligation still falls on you, the registered student. You and your employer have 14 days to pay for the course. If the course fee is not paid on time, we refer to the relevant legislation regarding increasing the costs.
- We cannot supply any refunds (unless the course is cancelled within a certain timeframe, see article 5) as we have booked teachers and have made other expenses (hiring the classroom).

- EasyDutch reserves the right to cancel any course that doesn't meet the minimum requirement of 4 students to start a course. We will check if we can find another suitable course for you within our school. If we are unable to find another course for you, then this is the only exception when you can receive a total refund. We will notify you of the cancellation as soon as possible, and at the latest one week in advance.
