If the course fee is not paid on time, we refer to the relevant legislation regarding increasing the costs.
- We cannot supply any refunds (unless the course is cancelled by Easydutch within a certain timeframe, see article 5) as we have booked teachers and have made other expenses (hiring the classroom).

Article 5 – Changes to the course by EasyDutch

- EasyDutch reserves the right to alter the date and time of a course.

- EasyDutch reserves the right to cancel any course that doesn't meet the minimum requirement of 4 students to start a course. We will check if we can find another suitable course for you within our school. If we are unable to find another course for you, then this is the only exception when you can receive a refund. We will notify you of the cancellation as soon as possible, and at the latest one week in advance.
